

Summary:

Unlock your influence as a Business Partner. Our Group Coaching Sessions for Business Partners are designed to help professionals in corporate service functions such as Finance, HR, IT, Communications and Procurement, to elevate your effectiveness, build stronger relationships, operate more strategically and become trusted advisors in your organisation. These sessions will provide you with:

- Collaborative Learning – Work alongside peers from different functions and industries. Share challenges, learn new perspectives, and build solutions together.
- Practical Tools & Strategies – Gain proven frameworks for influencing, managing stakeholders, and driving business impact.
- Tailored to Business Partners – Focus on the unique challenges you face as a connector between strategy and execution.
- Safe Learning Space – Practice, reflect, and grow in a supportive, confidential environment.
- Resources You Can Use – Walk away with toolkits, templates, and guides you can apply immediately in your day-to-day role.

Coaching Session details:

These are live, interactive on-line coaching sessions, arranged at times best suited to registered participants. Each will last up to two hours.

You will be provided with supporting resources and ongoing learning materials where required.

These sessions will give you:

- Stronger influence and credibility with senior leaders.
- Better collaboration across business functions.
- Enhanced confidence in high-stakes conversations.
- Practical resources to reinforce your learning and keep progress going.

Costs:

- £100 per person per session.
- 10% discount if you book five or more sessions
- 15% discount if more than one person joins at the same time from the same organisation
